The certification body has performed an audit of the above product quality system covering the design, manufacture and final inspection of certified product. The quality system has been assessed, approved and is subject to surveillance according to General Product Safety Directive: 2001/95/EC

This certificate issued under the following conditions:

1. It applies only to the quality system maintained in the manufacture of above referenced models and it does not substitute the design or type examination procedures, if requested
2. The certificate remains valid until the manufacturing conditions or the quality system are not changed
3. The certificate validity is conditioned by positive results of surveillance audits

The CE mark as shown above can be used under the responsibility of the manufacturer after completion of an EEC Declaration of conformity and compliance with all relevant EEC Directives. The statement is based on a single evaluation of one sample of above mentioned product. It does not imply an assessment of the whole production

Date of Certification: 27th March 2023
1st Surveillance Due: 26th March 2024

2nd Surveillance Due: 26th March 2025
Certificate Expiry Date: 26th March 2026
(Subject to the company maintaining its system to the required standard)

Certificate Number : CE/0386
